WELCOME FROM THE CHAIRPERSON

A Chara,

Thank you for considering sponsoring Waterford Ladies Gaelic Football in 2026.

We're proud of our legacy — and even prouder of the players and volunteers who represent this county today. From our golden All-Ireland-winning era in the 1990s to the current generation of athletes pushing boundaries at every level, Waterford LGFA continues to grow stronger. Sponsorship is not just about branding — it's about belief.

Your support will directly contribute to training, player welfare, development pathways and the future of women's sport in Waterford. We invite you to partner with us as we push for more — more matches, more players, more support, and more success.

Le buíochas mór, Mark Power Chairperson, Waterford LGFA

DEVELOPMENT AT EVERY LEVEL

Waterford LGFA is driven by a simple vision: to give every girl in the county the chance to thrive in football. We field inter-county teams at every level:

Senior
Minor (U18)
U16
U14

Player Development Programmes (PDP)

These development programmes represent the future of Waterford football, taking part in Munster blitz days and tournaments. Your sponsorship supports these vital grassroots pathways — where future county stars are shaped.

U13
U15
U17
