WELCOME FROM THE CHAIRPERSON

A Chara,

Thank you for considering sponsoring Waterford Ladies Gaelic Football in 2025.

We're proud of our legacy — and even prouder of the players and volunteers who represent this county today. From our golden All-Ireland-winning era in the 1990s to the current generation of athletes pushing boundaries at every level, Waterford LGFA continues to grow stronger. Sponsorship is not just about branding — it's about belief.

Your support will directly contribute to training, player welfare, development pathways and the future of women's sport in Waterford. We invite you to partner with us as we push for more — more matches, more players, more support, and more success.

Le buíochas mór, Mark Power Chairperson, Waterford LGFA
